

If you need  
some beans  
To feed little Jan,  
You will have  
To open  
That green tin \_\_\_\_.

Fran and Jan  
And Stan and Dan,  
All of them are  
members  
Of the very  
Same \_\_\_\_.

One day it got  
so hot  
In old Spokane  
That everyone  
was wishing  
He had a \_\_\_\_\_.

She wanted  
An egg  
Did poor little Nan.  
So her mom  
Cooked her one  
In their frying \_\_\_\_.

Before

Construction of  
The school began  
Two men sat to  
Think  
And draw a \_\_\_\_\_.

What colors are  
The camels  
In a caravan?  
If you look at  
Them closely,  
You'll see that  
They're \_\_\_\_.

Just look at him

Bawling,

That kid named

Bran!

He doesn't want to

Ride in that

Old green \_\_\_\_.

She sewed on

His shadow

That girl

Named Nan.

The boy who

Had lost it

Is known as \_\_\_\_\_.

No one in  
The world  
Can fly faster than  
The man in the  
Red cape!  
And we call him \_\_\_\_.
