

# Corn - On and Off the Cob Activity Card

Dear Families - Corn - On and Off the Cob gives children a chance to learn about the crop that is grown on more American farms than any other crop. For this activity, your child will need to taste some of the corn items shown in the book. Whenever your child first tastes the item pictured in the box, you can help him or her fill in the missing dates and comments.

Corn Item	Date I Tasted This	Comments
 corn on the cob		I think this tasted
 corn flakes		I think this tasted
 popcorn		I think this tasted
 taco		I think this tasted
 succotash		I think this tasted
