

It Begins with an A Activity Card

Dear Families - Riddles and rhymes are fun for children and both help them develop skills they will need to be good readers. Riddles are good for developing thinking skills and rhymes call children's attention to the sounds of words. To play this game with your child, cut the pictures from the bottom of this page. Read the riddle in each box to your child, and re-read the book together to find the answer. Then, paste the picture that answers the riddle in the box. Finally, re-read this page with your child.

It begins with a **J**
And it rhymes with car.
So paste in this box
The picture of the _____.

It begins with an **M**
And it rhymes with spoon.
So paste in this box
