

# Lion Dancer Activity Card

Dear Families - Lion Dancer helps children learn about the customs of Chinese Americans. For this activity, you and your child will need to cut the pictures from the bottom of the page. You can read the captions in the boxes, and together you can paste the pictures in the boxes where they belong.

Ernie's mother cooks with a pot called a wok.	Ernie's family uses chopsticks to eat their food.
Ernie must practice his part in the Dragon Dance.	Red envelopes with money are given as New Year's gifts.
Firecrackers are part of the celebration.
