

Sometimes it goes

Tick,

Sometimes it goes

Tock.

We all love

To listen

To that pretty

Brass \_\_\_\_\_.

The lady  
Named Susan  
And her husband  
Sherlock  
Dangled their feet  
In the water  
As they sat on the  
\_\_\_\_\_.

"Stop the car!"  
Maisie shouted,  
Her voice full  
Of shock.

"We don't want  
To hit  
One sheep in  
The \_\_\_\_."

A fancy  
French fox,  
His name was  
Jean Jacques,  
Walked up  
To the door,  
And gave it a \_\_\_\_.

"To say I can't lift  
It is such  
poppycock!"  
But the man  
Squashed beneath  
The weight of  
The \_\_\_\_.

"Don't play with  
the outlet!

Do you hear me,  
Hitchcock?"

But the boy

Didn't listen,

And he got a \_\_\_\_\_.

He sat up in bed,  
Turned off the  
Alarm clock,  
Stuck out his foot  
And pulled on  
His red \_\_\_\_\_.

A dad and  
His boy  
Were building  
Bangkok.  
Said the dad to  
His son,  
"Please pass me  
The \_\_\_\_."

In order to make  
A delicious  
Soup stock,  
We must cook  
All the vegetables  
In the large  
Yellow \_\_\_\_\_.
