

Dear Sheila C .Johnson Center Clients,  
**The city will be closing Emmet Street for repairs 12/19/18 to 1/14/18 between Ivy Rd & the McCormick Rd Bridge.** This will block normal parking for the Sheila Johnson Center (“SJC” on the map). Please follow the alternate routes for parking in the R2 lot, where spaces will be marked for the Center. From the R2 lot, walk through Bavaro Hall and make your way to the ground floor where the clinic is.

If no designated spaces are available in the R2 lot, overflow parking is available in the Central Grounds/Bookstore Parking Garage across the street. You will need to contact the center for an access number. From the garage, make your way to the ground floor to cross Emmet St. at the crosswalk and access Bavaro Hall and the clinic.

If you find the crosswalk closed for any reason you can take the elevator to the 4th floor of the garage and make your way to the pedestrian bridge, Bavaro is on the left as you cross the bridge.

We apologize for the inconvenience. Please plan on arriving a bit early for scheduled appointments. Call 434-924-7034 ext. 1 for more detailed directions or if you require special assistance.

Best,

Peter W., Tuerk , PhD  
Director, Sheila Johnson Center for Human Services
